We love to read a latte!

Odessa Upper Elementary is a Title I School. Title I is a federally funded program under the ESEA (Elementary and Secondary Education Act.)

What is the Title 1 Program?

Title 1 is the largest federal aid program for elementary, middle, and high schools. Through Title I, money is given to school districts around the country based on the number of low-income families in each district. Each district uses its Title I money for extra educational services for children most in need of education help. The focus of the Title I program is on helping all students meet the same high standards expected of all children.

Working Together

Parent Involvement is an important aspect of Title I. As a parent, you can influence your child's success in school. We encourage you to be actively involved in your child's education. You can become more involved with your child's education by:

- Joining your child's PTO.
- Supporting your school's extracurricular activities.
- Volunteering at your child's school.
- Keeping your child's teacher informed about events in your child's life that may affect his/her performance at school.
- Attending parent/teacher conferences and Title I Evaluation and Planning meetings.
- Communicating with your child's teacher regularly by phone, email, or notes.
